

TRAIN SERVICE FOR EXCURSION TO BE GREAT

Every Accommodation For Coshocton And Surrounding Towns.

Never in the history of a library excursion has there been such wide spread interest as there is this year in the big outing to Cedar Point on Thursday July 26. Members of the library board have received inquiries from all over the county and the outlook is for a record crowd. The accommodations this year are superb and every effort will be made to make the trip to and from Sandusky pleasant. That the train service will be good is evidenced by the following official orders received by Agent Kipp from the traffic manager. Better cut this out and save it for reference. Regarding the train service the orders read as follows:

The Three Trains
From Coshocton and the first three from Sandusky returning are to be provided with Pullman parlor cars, or Pullman standard sleepers to be used as parlor cars if impossible for Pullman company to provide parlor cars, for which please arrange. We will make collection of \$30 for each car for the round trip. These trains are to run through without making any intermediate stops in either direction.

The Fourth Train
The one starting from Newcomerstown at 6:30 a. m. to stop at Isleta, West Lafayette, Coshocton, Warsaw Junction, Mohawk, Walhonding, Cavallo, Brink Haven and Flat Rock both going and returning. Passengers from Newcomerstown, Isleta and West Lafayette will hold regular round trip tickets to Coshocton and Cedar Point excursion tickets from that point obtained through the committee.

The Fifth Train
The one starting from Trinway, at 6:30 a. m. stops at Adams Mills, Conesville, and Franklin in both directions and at Warsaw Junction, Mohawk, Walhonding, Cavallo, Brink Haven on signal going, making all stops returning. Also stops at Flat Rock going and on signal returning. Passengers from Trinway and Conesville will hold regular round trip tickets to Coshocton and the Cedar Point excursion tickets from that point obtained through the committee. From the few who board this train at Adams Mills and Franklin cash fare to Coshocton is to be collected and it would perhaps be well for conductor to make collection for the round trip, on the going trip.

The fourth train, the Newcomerstown train, is to be held at Coshocton or the return trip until the arrival of the last train, the Trinway train. The train which started from Newcomerstown last year carried 220 passengers from that point, Isleta and West Lafayette and it is expected as many if not more will present themselves this year. In arranging equipment for this train the business from Warsaw Junction, Mohawk, Walhonding, Cavallo and Brink Haven should be considered, and agents at these points will be instructed to signal the fifth train if they have passengers for it. These people will obtain tickets through the committee at Coshocton.

There were 164 from Trinway and Conesville last year and as stops will be made at Adams Mills and Franklin it is expected two hundred or more will be handled this year and the equipment of this train can be taken on business at intermediate points not accommodated by other trains.

Broke His Arm.
Sidney Turner, a lad about 16 years old, and a number of companions were swinging on a grape vine swing near the Pennsylvania railroad Thursday evening, when the grape vine broke with young Turner and let him fall about twenty-five feet. The fall broke his right arm and badly sprained his left arm. A physician was called at once and set the injured members.

Mr. and Mrs. Giffen and daughter Elizabeth of Walhonding went to Steubenville today to visit friends.

JUDGE HARGIS ON THE STAND

First Witness For Defense Called In the Marcum Murder Case.

ATTACKS STATE WITNESSES

Beattyville, Ky., July 13. — In his own behalf, former Judge James Hargis, charged with the murder of Attorney James B. Marcum, took the stand. Hargis, who was the first witness for the defense, told the story of his life in Breathitt county, and how he had risen from a poor boy to a man of wealth and power. He described his life about when Marcum shot. He saw Tom White come out of the door of the courthouse just before the shots were fired.

Witness said he had no intimidation that Marcum was to be killed, and said he had never spoken to Curtis Jett or any other man with reference to the killing of Marcum or any other person. He said Moses Feltner never received any money from him not to testify against him. He said Feltner wanted him to prepare affidavits for Sam Fields and Russell Suttin, but that he declined to do so. Judge Hargis asserted that the statement of Asbury Spicer was absolutely false. In fact, witness said no conversation ever occurred between him and others with reference to Marcum. The witness referred to commonwealth witnesses as "floaters" and men who lurked about town, and it was necessary for the court to admonish Hargis on several occasions and instruct the jury not to consider such testimony. Hargis reflected several times on the character of Attorney Adams, and Judge Dorsey sent the jury from the room while Adams took the defendant over the rack. Attorney Young, for the defense, objected to this, but the court ruled that Hargis had made a serious reflection against the commonwealth's attorney, and he believed Adams should be permitted to defend himself.

Hargis was questioned by Attorney Byrd on cross-examination. He said he had no ill feeling against Marcum as a result of the contested election cases, but he said they never spoke after the indictment for criminal libel was returned against Marcum. He did not secure an indictment against Feltner because he did not feel that Feltner could slander any one.

MOTHER OF SEVEN UNDER ARREST

Mrs. Bessie Crago and Henry Dear-doff were arrested by Chief Mapel and Officer Hankins in the Hardscrabble vicinity Thursday afternoon on a warrant sworn out in Squire Williams' court charging the pair with adultery. The charges were preferred by John S. Crago, of Newcomerstown, the husband of the woman. The man and woman were arraigned before the squire and pleaded not guilty to the charge. A trial was set for next Monday at 10 o'clock a. m. In the meantime the woman has been released on her own recognizance, while the man not being able to furnish a bond for \$100, will have to spend the time in the city prison.

There is a sad story behind the case which will be brought up in the hearing Monday. The wife is said to have deserted her husband and seven children ranging from 4 to 17 years of age, at Newcomerstown and since June 23, it is claimed, has been living with Dear-doff who is a coal miner at Hardscrabble. Mrs. Crago has her ten months' old baby which she brought with her when she left her home.

The woman claims that she left home on account of her husband's abuses but does not seem to realize her terrible offense in living with Dear-doff.

Attorney Russell, of Newcomerstown, is prosecuting the case while Attorney Robertson is defending Mrs. Crago and Dear-doff.

FARMERS FIND INTEREST IN THIS FACTORY

Plant For Making Condensed Milk Would Mean Much.

Throughout the county there is active interest in the proposed condensed milk factory that the board of trade has a string on to be located on one of the sites of the new Fifth street. Farmers appreciate that such a plant

Would Mean Much
to their interests as the factory wants to erect a plant of a capacity of two cars daily of condensed milk and would require the product of many cows. In fact they say that they could use the product of 6,000 cows all to be within a radius of ten miles of Coshocton. They would employ in the factory 200 people and would bring

Many New Citizens
The proposed meeting of the board of trade and the Business Men's association will not be held Monday night as planned but some day later in the week on account of the new plat of the new addition not being quite ready.

BIG GUNS TO TAKE IN THE MASONS' PICNIC

Date of B. P. W. Visit Changed to Week From Today.

The date of the meeting of the members of the board of public works and the officials of the Pennsylvania and engineers of the Light and Heating Co. has been changed from July 18 to July 20 to accommodate the state officials. At that time they will all come to Coshocton and go to "the narrows" just above Roscoe where changes are contemplated.

In the Tracks
of the T. W. V. & O. From there the members of the state board and possibly some of the railway magnates will go to Tonawanda where the big Masonic picnic is to be held that day.

In the party will be Members Watkins, Kittland and Crawford of the state board, Engineers Perkins and Hanlon, Supt. Schroll of the Pennsylvania, General Attorney Brooke of Pittsburgh and others.

We obtained a complete victory at Jicaró, where General Tomas Regalado, the chief commander of the Salvadorean army, was killed."

The United States cruiser Marble had left Panama for Guatemala.

BRYAN DEFINES CONSERVATISM

Says He Has Nothing to Withdraw on Mooted Economical Questions.

HIS ATTITUDE UNCHANGED

London, July 13.—A statement defining his position has been issued by William J. Bryan. Having had opportunity while in this country to read the American newspapers, the Democratic leader consented to discuss some of the questions which have been raised since he has become prominent as a presidential possibility for 1908.

Mr. Bryan says: "I notice that I am now described by some as conservative, and in order that there may be no misunderstanding on that subject permit me to say that in one sense I always have been a conservative. Democratic policies are conservative in that they embody old principles applied to new conditions. There was nothing new in principle in either of the platforms on which I stood. We were accused of attacking property, when in fact the Democratic party is the defender of property, because it endeavors to draw the line between honest accumulation by honest methods on the one side and predatory wealth and immoral methods on the other. If by the word conservative they mean that I have changed my position on any public question or moderated my opposition to corporate aggrandizement, they have a surprise waiting for them. I am more radical than I was in 1896, and have nothing to withdraw on economical questions which have been under discussion."

"The only question we discussed in 1896 upon which there has been any apparent change is the silver question, and that has not been a change in the advocates of bimetalism, but in conditions. We contended for more money and urged the free coinage of silver as the only means then in sight of securing it. The increased production of gold has brought in part the benefit we expected to secure from the restoration of silver. The per capita volume of money in the United States is almost 50 per cent greater now than it was in 1896, and the benefits brought by this increase have not only vindicated the quantitative theory of money, but have proved the benefits of the larger amount of money. "I believe in bimetalism; I believe that the restoration of silver would bring still further prosperity, besides restoring par in exchange between gold and silver countries, but I recognize, as do other bimetalists whom I have met abroad, that the unexpected and unprecedented increase in gold production has for the present removed the silver question as an issue."

Prisoners Escape.

Cambridge, O., July 13.—Charles Riggles and Riley Lighty, who were charged with burglarizing Orme, McMahon & Thompson's hardware store last fall, dug their way out of the county jail and escaped.

At Point of Death.

William Richeon is reported at the point of death from consumption at his home on North Sixth street.

Quiet Wedding.

Miss Ethel McBride, the daughter of Mr. and Mrs. William McBride and Mr. Owen J. Wisenburg, the son of Mr. and Mrs. John Wisenburg were quietly married Wednesday evening by the Rev. Mr. Hamilton at the Presbyterian parsonage. The couple were unattended the bride looking charming in a dainty gown of wash chiffon trimmed in Val lace.

Mr. and Mrs. Wisenburg are living for the present at the home of the brides' parents on East Chestnut street.

Senior Order Installs.

The following officers were installed by the Senior Order of American Mechanics at the meeting held in the order's hall in the Forbes building Thursday evening: Councillor, William Nealey; Vice Councillor, Robert West; Recording secretary, E. S. Felton; Assistant recording secretary, Wm. Shaley; Inductor, Will Grant; Examiner, J. C. Rhine; Financial secretary, John Shurtz; Outer guard, George Shealey; Inner guard, V. E. Rhine; Past councillor, John Baumgardner.

Shipped Cattle.

William McBride shipped a ca. of cattle to the Jersey City markets Friday morning.

CHAUTAUQUA TENT TO RISE EARLY IN WEEK

Many From Country Will Come And Camp On Grounds.

Inquiries are coming to the Chautauqua management from several different places over the county regarding tents, etc. Dr. S. H. Buker of Spring Mountain will probably bring his big apartment tent, some 30 feet long, and with four or five families will probably stay here during the Chautauqua session. The management announces that spaces

For Tenting Are Free
and that people wanting to come in and use tents for the session can get them of the management by sending in a request. See small ads.

The Chautauqua this year will not be held in the grand stand but in a mammoth tent with a seating capacity of about 1800, to be erected at the edge and just east of the fine grove at the fair grounds. It is likely that a

Five Cent Hack
system will be instituted from Main street to the grounds.

It is remarked that many people will be willing to spend \$100 for a trip to Chautauqua, N. Y. and pay \$5 for a season ticket that will be taken away from them and probably result in arrest if used by any one other than the purchaser and yet complaint is made because tickets here at \$1.50 are not transferable.

The new rule that season tickets will be sold for \$2 that may be used by all members of a family, has this one string tied to it; the ticket

Will Be Forfeited
if presented at the gate by any one not a member of the family to whom it is issued. It will save embarrassment as well as loss of the ticket for holders of family tickets to strictly observe this rule. Men will be on the gate who will insist on positive identification of holders of family tickets.

The erection of the big tent is expected to begin Monday.

W. C. T. U. Meeting.

The Woman's Christian Temperance Union met Thursday afternoon with Mrs. White of Kenilworth avenue Mrs. E. M. Powelson being the leader. The subject of the afternoon was Christian Courage and readings emphasizing that line of thought were given by a number of the ladies present.

Lawn Fete.

The lawn of the Baptist church was filled with tables Thursday evening and the tables were surrounded with groups of friends attracted there by the announcement of the lawn fete which the ladies of district two gave. The refreshments served were the most delectable imaginable and social as well as financially the gathering was a success.

Divorce Granted.

Judge Donley granted a divorce to Eliza Rowe from her husband John Rowe Friday afternoon on the grounds of wilful absence. Rowe deserted his wife nine years ago. The plaintiff resides in Crawford township.

New Pension.

Pension Attorney M. W. Wimmer has secured an increase of pension for James H. Pignman, late a member of Co. K. 32nd Reg. O. V. I. Rate of increase from \$10 to \$12 per month.

Clerks Install Officers.

The following officers were installed at the meeting of the Clerks union held Thursday evening in Central Labor hall.

President, Bert Knode. Corresponding secretary, Will Ayres. Member Grievance committee, Will Huff.

George Shupe, vice president; Carl Stewart, second vice president; Harry Denzer, guard; Theodore Agnew and Richard Darnes members of grievance committee. Charles Shaffer, Eli English and H. B. Hay trustees were unable to be present Thursday night and will be installed at the next meeting.

Alvin Linebaugh, treasurer and A. C. Soudes, financial secretary were elected at the last semi-annual election to serve for one year.

Shipped Cattle.

William McBride shipped a ca. of cattle to the Jersey City markets Friday morning.

Supt. Bonebrake Here To Fix on Crossing

Supt. Bonebrake of the Panhandle arrived on No. 19 today for a conference with the city council committee on the crossing proposed for Pine street. He and the company's attorney F. E. Pomerene waited in vain for the committee to appear but found all had a busy day and the

trip was made here for nothing. Mr. Bonebrake left on his special this afternoon. Supt. Bonebrake had made the trip specially to Coshocton for the conference, which meant a great deal to the southern part of the city. It is likely another conference will be arranged.

Is The County League Nigh Unto Death?

Has the county league played its last card? This is the question that is puzzling the minds of all the local fans at the present time.

With Lewisville going by the boards and Keene's refusal to take her place, comes the announcement that Warsaw is all in. This, however, has been expected for some time. Warsaw claims to have no grounds to play the ones used so far this season having been taken from them.

The Schiela-Warsaw game scheduled to be played at Warsaw Saturday has therefore been called off and a Ricketts will probably perform for telephone change from the apocryphal Schiela.

One town stated that Warsaw would probably play no more games this season at least not at home. As the Beaches have no game scheduled for Saturday, Managers Hildebrandt and Schiela have gotten together and arranged to play an exhibition game at Riverside park Saturday afternoon calling the game at three o'clock. The Beaches and Schiela will therefore meet once again.

So far the two teams have played three games of which the Beaches have won two. Which will probably be in the box for the Beaches while a Ricketts will probably perform for telephone change from the apocryphal Schiela.

COSHOCTON BOYS RIDE 600 MILES ON BIKES

Two Coshocton county young men, who dwell near Chillicothe, have just completed a six hundred mile trip on their bicycles. They are now at St. Louis and have written a friend here about their trip. It is interesting. Read it in the following:

St. Louis, Mo.

Dear Friend:

No doubt you remember that we promised to let you hear from us some time during our trip. As today has been a wet day and we were indoors all day, we will this evening endeavor to write a few lines to let you know some of the experiences we have had, and some of the things we have seen. It would be impossible to tell you all. If you remember we started on Monday, May 14, and on Wednesday got to Columbus, O., where we stopped several days. While there we visited the State capitol, were in Ohio penitentiary, where we were allowed to leave as soon as we wanted to, which none of the people imprisoned there can do. There were over 1600 prisoners there at the time. Were at Ohio State University at State Hospital for Insane, and many other places of interest.

From Columbus we started westward on the Cumberland road or National pike, as it is called by some. It is, however, not a pike altogether. Through Ohio and Indiana it has a foundation of crushed limestone and is nice and smooth. But in Illinois it is only an ordinary mud road, the only difference you can notice between it and the Ohio roads is in width. It has a uniform width. Originally there were limestone mileposts along the entire road, but now they are very rare. On them it states the distance to Cumberland, Md., to Columbus, Ohio, and to the towns and villages immediately east and west of them. After we left Columbus we passed through Springfield and many smaller towns, before we got to Dayton, where we stopped several days. While there we visited the National Soldiers Home which is certainly a grand institution. There were about 6000 old soldiers there

and they are surely treated very nicely. They have on the grounds a cyclorama of the battle of Gettysburg. It is claimed to be the only one in existence at present. One of the soldiers that saw the battle said it was the nearest representation of the war that he ever saw, in painting or acting. He said it was as near the "real thing" as it was possible to represent it.

While at Dayton we also spent a day with the National Cash Register Co. This is as near a model workshop as we have seen, and is claimed to be the most up to date in the world. They manufacture the registers at the rate of one every two and one-half minutes. It would be impossible to give a detailed account of any of these places, as it would take too much time, and then we would not be capable of doing it justice.

From Dayton we went on westward, and while on the way, a few miles east of Greenfield, Ind., we stayed with an old schoolmate of James Whitcomb Riley. He gave us a very good account of the poet's school days and early manhood, but for him it was just "Jim" Riley. Also saw Brandywine Creek, on which the "Old Swimmer" Hole" about about which he wrote one of his poems.

The next important town where we stopped for any length of time was Indianapolis, Ind. Were through state capitol building, state asylum, and other public buildings. Saw army and navy monument, erected to the memory of the dead soldiers and sailors by state of Indiana from the top of which an excellent view of the city may be had. It is 265 feet in height, and almost in the center of the city. We were in Vandalia, Ill., on Memorial day. This was the original capital of Illinois, and the original capital is remodeled and at present used for the county court house.

Tuesday evening. We did not get your letter finished the day we started. Got tired and went to sleep as we presume you will do before you finish reading all this.

Well, after leaving Vandalia, the next important place we struck was St. Louis where we have been since. Since we came to St. Louis we have

had experiences that we will remember a long time. Were at world's fair grounds and very likely what we did not see of the fair buildings was a great deal more than what we did see. A few of the structures are still standing but most of the grounds is a mass of ruins, with laborers taking out what can be used and burning the balance. Forest Park, one of the most beautiful of St. Louis's parks occupies part of the grounds.

After viewing the town for about a week we got a job on a steamer, northbound on the Miss. river. Went north as far as Burlington, Ia., it was surely a long-to-be remembered trip.

When we returned we started to work for the Wagner Electrical Mfg. Co. Chas. Veltz a former Chillicothe boy is also employed there. The company manufactures electric motors, dynamos, transformers, etc.

While here we also visited the Anheuser-Busch Brewing association you can form some idea of the institution when you know that it is the largest brewery in the world. Covers 128 acres; has a capacity of 9,000 barrels of beer daily, 1,000,000 bottles. Their ice plant has a capacity of 4,000 tons of ice daily. They employ 6,000 people, and, during 1905 they sold 1,462,788 barrels of beer.

Well I suppose by the time you have this read, you will feel like resting. Hope you will pardon us for the long delay. You see we make up in quantity what we lack in quality. Be sure and write soon and tell all the news. Tell all inquiring friends we send them our best.

Now be sure and write soon and we will solemnly promise not to burden you with such a long letter the next time.

We are enjoying the best of health. Hoping to hear soon we are ever
Your friends,

REPUTATION OF NEWBRO'S
Is shared by women who have
dandruff in the hair.
Newbro's is admired the world over for
its softness and glossiness; and yet the
woman hair is equally as soft and glossy
as healthy; and the radical cause of all
trouble is dandruff, which is caused
by a pestiferous parasite that saps the
vitality of the hair at its root. Newbro's
Herpicide is the only preparation that is
fatal to the dandruff germ. Without dan-
druff there is no falling hair, but a lux-
uriant growth of glossy, soft hair is cer-
tain. Scouring the scalp won't cure dan-
druff. Kill the dandruff germ. Thou-
sands of women owe their beautiful suits

SENATOR DOLLIVER
ONE WEEK HENCE

SENATOR J. P. DOLLIVER
Opening Day July 21.

The best number of the Chautauqua
course, in the minds of many, is that
of the opening day when United
States Senator Dolliver speaks. The
senator has appeared before a Co-
shocton audience before this and has
hosts of friends here who will be
anxious to hear him. The move of the
Chautauqua board announced yester-
day of selling a family-transferable
season ticket for \$2 is a popular one.
This ticket may be used by any mem-
ber of one family.
One week from tomorrow—Sat-
urday, July 21, Senator Dolliver will be
here and the Chautauqua of 1906 will
be opened.

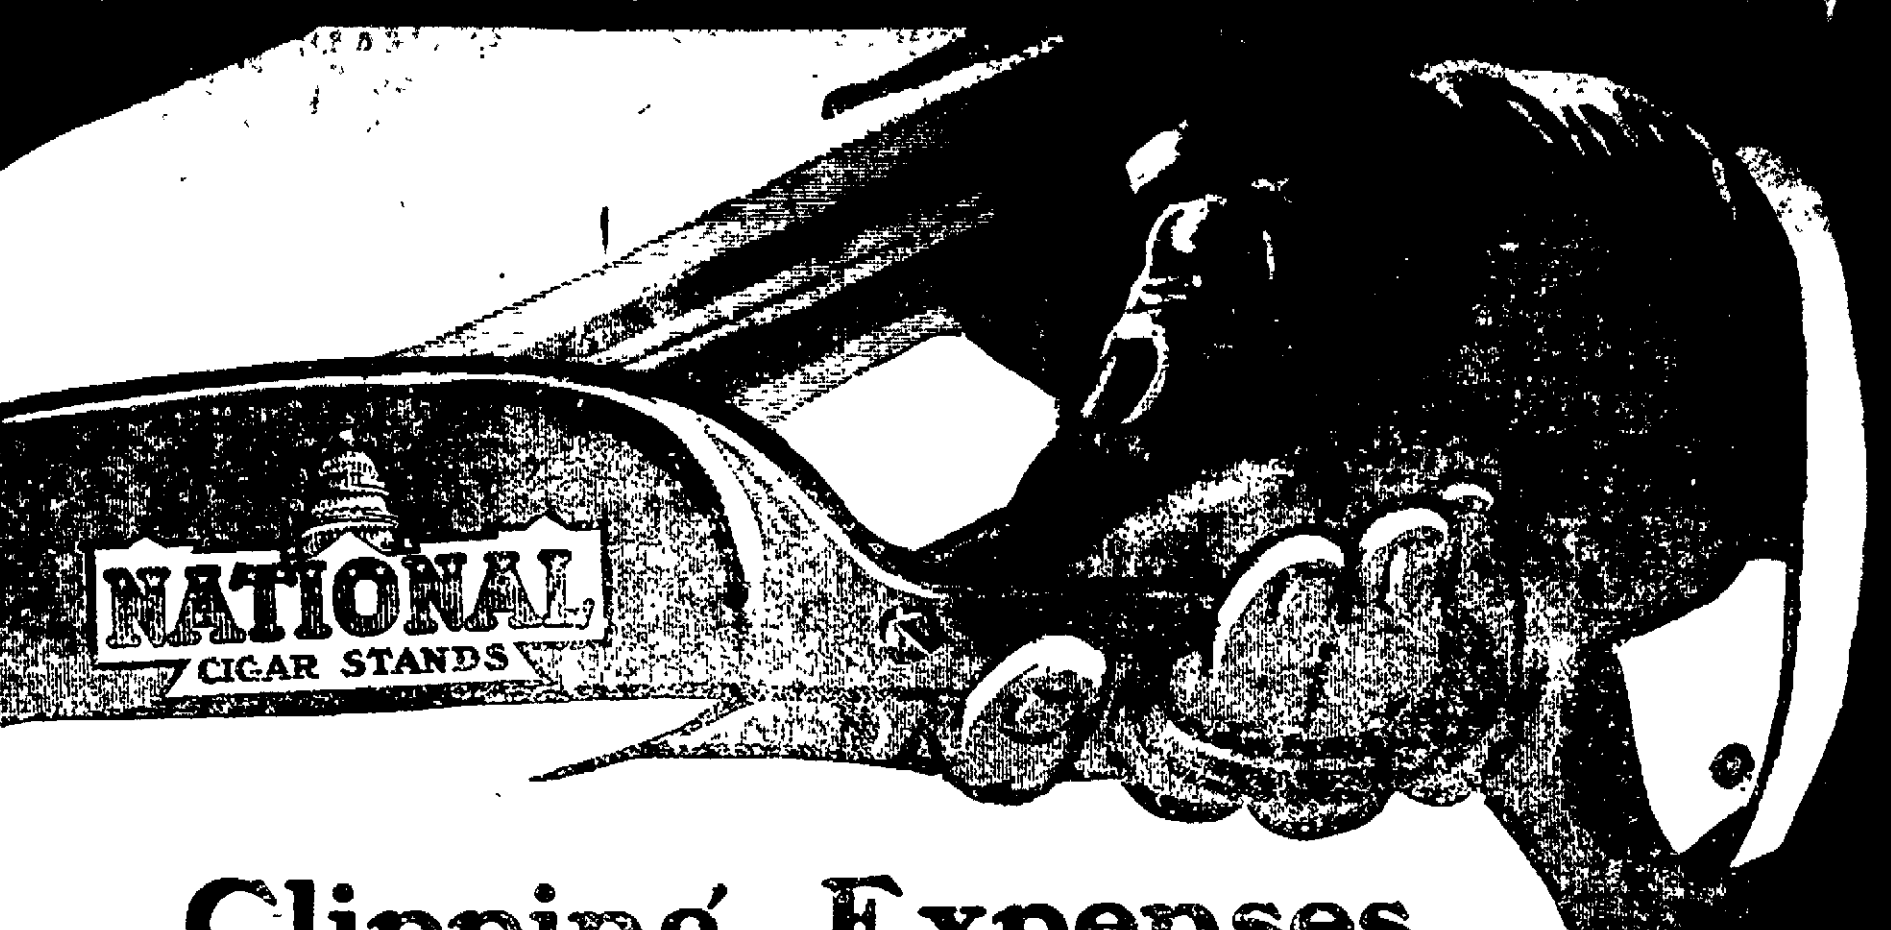

Housekeeper Also Ends Life.
Bowling Green, O., July 13.—Re-
morse-stricken because of her alleged
mis-treatment of Clara Strayer, 17,
which caused the girl's suicide, Miss
Kate Winover, 49, the housekeeper in
the Strayer home, ended her life in a
manner similar to her accuser and in
the same place. Her body floating in
the Maumee river was found by
mourners returning from the funeral
of the Strayer girl. Mrs Winover was

Bankers Paroled.
Columbus, O., July 13.—Among the
prisoners paroled by the board of man-
agers of the penitentiary were H. B.
Walker and D. S. Walker, sentenced
in April, 1905, from Lorain county for
embezzlement. Both were employed
at the Citizens' Savings bank of Lo-
rain. The directors had protested
against their parole. Although their
names are the same they are said not
to be relatives. Both had terms of
two and a half years.

Suit For Receiver.
Cincinnati, O., July 13.—Suit was
brought in the common pleas court
for a receiver and for other relief
against the Victor Safe and Lock com-
pany. The suit is brought by two per-
sons who allege that they purchased
stock in 1901, but that the proper of-
ficer of the company refuses to issue
certificates or to pay dividends. They
also charge mismanagement of the
affairs of the company by the officers.

Collision on Interurban.
Marion, O., July 13.—A northbound
car on the Columbus, Delaware & Ma-
rion electric railroad ran into a steam
engine belonging to the same road at
a curve a mile north of Prospect, tel-
escoping and overturning the car and
injuring several passengers more or less
seriously. The injured were brought
to the Marion hospital.

**NATIONAL
CIGAR STANDS**

Clipping Expenses

THE National Cigar Stands have taken cigars out of the class of expensive luxuries. They save smokers nearly *one-half* their cigar money, and give them better-made, better-kept and better-quality cigars besides.

Tobacco itself is not immensely expensive. The great cost of cigars has always been in the wasteful way in which they were sold. No other merchandise of such common use passed through so many hands and was loaded with so many profits between producer and consumer.

The National plan reduces cost, *not* by reducing quality, but by cutting off all the "lost motion" in handling and all unnecessary profits. National Cigar Stands' cigars come to you *straight from the producer*.

Just to see what this means in getting quality-for-price, try the

Black and White

Five Cent Cigar

You will find it everything in leaf-quality, workmanship and fragrance that you have had in the best 3 for 25c. cigar you ever bought. Or try any one of these:

COLLEGE DAYS: The best domestic cigar ever sold at - 6 for 25c
ADAD: A first-class domestic cigar, presenting superior workmanship 7 for 25c
CUBA-ROMA: All Cuban-grown leaf, equal to any that have cost 3 for 25c., at 5c
STIRLING CASTLE: Large, plump, clear Havana. 10c. grade - 6c
LA IDALIA: Choice clear Havana, especially good value at - 3 for 25c.

But what it hot
Simply stizzling down our way
Think of the breeze

CONSTIPATION

"For over nine years I suffered with chronic
constipation and during this time I had to take an
injection of warm water once every 24 hours before
I could have an action on my bowels. Happily I
tried Cascarets, and today I am a well man.
During the nine years before I used Cascarets I

A Wonderful Remedy
David Hosfelt, Coshocton, O., says:
"I suffered from indigestion which
brought on rheumatism, kidney and
bowel trouble. I was dull and stupid,
had no appetite and nothing agreed
with me. I tried a number of reme-
dies but got no relief. Friends recom-
mended Dr. Jackson's Digestive and
Liver Powders. They gave me relief
at once, appetite increased, I gained
strength and flesh and in a short time
I was cured."
Our powders cured him because
they contained the ingredients to sup-
ply what was lacking in his weak
stomach, and digestive organs to di-
gest the food and prevent it from
fermenting. They converted the food
into good, rich, red blood and built
up the entire system. Being in pow-
der form and dose sufficient they di-
gest a hearty meal and give instant
relief where pills, capsules and tab-
lets fail. Costs less than a penny
a dose and are sold by all druggists,
50 cents and \$1.00. For free medical
advice address A. L. Jackson, M. D.,

**MASONS ATTEND
MASTON FUNERAL**

A large delegation of members of the local Masonic lodge are attending the funeral services of Darius Maston, who died at his home west of Roscoe Thursday. Funeral services are being held at the Blooming Grove church and are in charge of the Masons, Rev. Lewis officiating.
Mr. Maston was one of the widest known and most highly respected farmers of the county and had reached the ripe old age of seventy-three years.
The delegation from this city included: J. H. Maple, F. K. Wood, Ed Hunter, Will Schlach, Blake Mizer, C. C. Graham, George Senft, Charles Smith, A. H. Thomson, W. K. King, B. F. Voorhees, E. S. Lee, David Hoefelt, R. F. Feyer, Levi Williams and Ira Bell.

"Suffered day and night the torment of itching piles. Nothing helped me until I used Doan's Ointment. It cured me permanently."—Hon. John R. Garrett, Mayor, Girard, Ala.

The Wheeling is Pleased.
"The Wheeling is doing the best business it has ever done on this end of the road in its history," remarked an official of the W. & L. E. to a member of the Coshocton board of trade the other day, "and we know it is due to the new train service we have inaugurated, at the request of Coshocton business interests." The train service now is excellent and the trains are almost if not quite on a full paying basis.

NOTHING SUCCEEDS LIKE SUCCEEDS

C. E. Anderson Tells of the Remarkable Success of Pepsikola Tablets in Relieving Indigestion.

After selling all kinds of remedies for dyspepsia and indigestion we can truthfully say that we never knew anything to give such universal satisfaction as Pepsikola Tablets. They not only aid digestion but they act as a grand nerve tonic as well. Many Coshocton people who have not enjoyed a good meal for years now say that after using one or two 25 cent boxes of these little tablets they felt as if they could eat a horse and digest it too.

Mr. Anderson has been recommending this grand dyspepsia remedy for nearly two years now, and from actual experience knows there is no other remedy so sure to relieve sour stomach, bad taste in the mouth, coated tongue, palpitation, sleeplessness, wind belching, and other distressing symptoms of indigestion. And Pepsikola Tablets must cure you or there is nothing to pay. They will renew your energy, steady your nerves, regulate the action of your heart, improve your appetite, put new life in your stomach, and will do more to tone up and improve your general health than anything you ever heard of.

Air Hose Broke.
A freight train passing through the city Friday morning at 1145 a. m. broke an air hose just as the train was over the Main street crossing, and in front of the depot. Train No. 19 was due and arrived before the freight was out of the way. The baggage and passengers were taken around the end of the freight near Walnut street, and the passenger was delayed ten minutes. The freight crew worked at the air hose and broke for thirty minutes before they could pull out.

Last Sad Rites.
The remains of Amos Yest, who met death at Logan, were brought to this city on No. 32 Thursday evening and taken to the Farmers' hotel. Funeral services will be held at the Sacred Heart church at nine o'clock Saturday morning after which interment will be made in South Lawn cemetery. Rev. Fr. Synan will have charge of the obsequies.

Words of Praise
For the several ingredients of which Dr. Pierce's medicines are composed, as given by leaders in all the several schools of medicine, should have far more weight than any amount of non-professional testimonials. Dr. Pierce's Favorite Prescription has the badge of honesty on every bottle-wrapper, in a full list of all its ingredients printed in plain English.

If you are an invalid woman and suffer from frequent headache, backache, gnawing distress in stomach, periodical pains, disagreeable, catarrhal, pelvic drain, dragging-down distress in lower abdomen or pelvis, perhaps dark spots or specks dancing before the eyes, faint spells and kindred symptoms caused by female weakness, or other derangement of the feminine organs, you can not do better than take Dr. Pierce's Favorite Prescription.

The hospital, surgeon's knife and operating table may be avoided by the timely use of "Favorite Prescription" in such cases. Thereby the obnoxious examinations and local treatments of the family physician can be avoided and a thorough course of successful treatment carried out in the privacy of the home. "Favorite Prescription" is composed of the very best native medicinal roots known to medical science for the cure of woman's peculiar ailments, contains no alcohol and no harmful or habit-forming drugs.

Do not expect too much from "Favorite Prescription"; it will not perform miracles; it will not dissolve or cure tumors. No medicine will. It will do as much to establish vigorous health in most weaknesses and ailments peculiarly incident to women as any medicine can. It must be given a fair chance by perseverance in its use for a reasonable length of time.

You can't afford to accept a secret nostrum as a substitute for this remedy of known composition. Sick women are invited to consult Dr. Pierce, by letter, free. All correspondence is guarded as sacredly secret and womanly confidences are protected by professional privacy. Address Dr. R. V. Pierce, Buffalo, N. Y.

Dr. Pierce's Pleasant Pellets the best laxative and regulator of the bowels. They invigorate stomach, liver and bowels. One a laxative; two or three a cathartic. Easy to take as candy.

MODEST CLAIMS OFFER CARRY THE MOST CONVICTION

When Maxim, the famous gun inventor, placed his gun before a committee of judges, he stated its carrying power to be much below what he felt sure the gun would accomplish. The result of the trial was therefore a great surprise, instead of disappointment. It is the same with the manufacturers of Chamberlain's Colic, Cholera and Diarrhoea Remedy. They do not publicly boast of all this remedy will accomplish, but prefer to let the users make the statements. What they do claim, is that it will positively cure diarrhoea, dysentery, pains in the stomach and bowels and has never been known to fail. For sale by C. E. Anderson, drug and book store, Coshocton, and at C. M. Ferguson's drug store, Roscoe.

MAY DECIDE THIS EVENING

A meeting of the board of public safety was scheduled for Thursday night for the purpose of deciding upon plans for the central fire station. As one of the members of the board Dr. McClain, could not be present, nothing was done further than an examination made of the two sketches by the architects submitted, by Messrs. Wilson, Brendel and Preston, who were present. The plans submitted are the work of Marriott & Allen, of Columbus, and Webster & Peters, of Steubenville.
An effort will be made to get the four members of the board together tonight and decide definitely on the plans for the building.

S.S.S. PURELY VEGETABLE

The fact that S. S. S. is a purely vegetable preparation, containing not the slightest trace of mineral in any form, has been one of the strongest points in its favor during its forty years of existence. It is recognized everywhere not only as the best of all blood purifiers, but the one medicine that can be taken with absolute safety by the youngest child or the oldest member of the family. Next in importance to removing the cause of any disease is the condition in which the system is left after a course of medical treatment. Medicines containing mercury, potash or other strong mineral ingredients often do permanent injury by eating out the delicate lining and tissues of the stomach, producing chronic dyspepsia, unfavorably affecting the bowels and so damaging the system that even if the original cause of the disease has been removed, it is left in such a deranged and weakened condition that the health is permanently impaired. S. S. S. enjoys the distinction of being the only blood medicine on the market that does not contain a mineral property in some form. Being made entirely of roots, herbs and barks it is absolutely harmless to any part of the system, and while curing disease adds strength and health to every part of the body. S. S. S. removes all poisons, freshens and purifies the blood and gives better and more lasting results than any other blood medicine. S. S. S. is the very best treatment for Rheumatism, Catarrh, Scrofula, Sores and Ulcers, Skin Diseases, Contagious Blood Poison and all troubles due to an impure or poisoned blood supply. Besides being the King of blood purifiers S. S. S. is the best and most invigorating of all tonics.

A two course supper followed the game the only guest present, in addition to Mrs. Love being Mrs. Clara McKane.
 The club will hold its last meeting next Thursday evening with Mrs. Frank Strausser.

Roscoe W. C. T. U.
 Nine members of the Roscoe W. C. T. U. met Thursday afternoon with Mrs. Frank Martin. The devotional exercises were conducted by Mrs. Akeroyd and roll call was responded to with various items concerning conditions existing in temperance work today. Then the business relating to the silver medal contest held recently was disposed of after which the program was given: Mrs. Neptune read a delightful sketch of Susan B. Anthony in which many facts of her early life were brought out, among others, that she began her career as a school teacher earning the magnificent sum of one dollar a week and her board. Mrs. Martin read a beautiful poem by Susan Collidge, "Who Serves His Country Best" and Mrs. Ella LeRetilley ended the program with another poem "Take Up Thy Burden" which was in a decidedly humorous vein. Mrs. Martin served cooling refreshments after which the ladies adjourned until their regular meeting time in August.

Hardy Food

For the Athlete or Business Man Proper Food is the Desideratum. It Should Contain the Maximum of Brain and Muscle Builders.

SUCH A FOOD IS HARDYFOOD

The business man and the athlete in their activities use up a large amount of brain and muscle tissue. Every move one makes originates in the brain.

Motion is thought before it is action, and both efforts use up brain and muscle rapidly.

The greater the effort the greater the cost in body fuel.

To supply this waste as rapidly as possible, with as little effort on the part of the digestive organs as is necessary, is the mission of Hardyfood.

It is a natural food prepared from grains carefully selected and so combined as to supply all the elements needed in the body.

Hardyfood is so palatable that many eat it directly from the package without any preparation on the part of the housewife.

Many men keep it in their office desks and partake of it during business hours.

It overcomes that tired feeling. In the morning it fortifies one for the day's efforts and in the evening its use is restful.

All grocers—10 cents.

Party in Zanesville.

SHORTHAND SCHOOL AT ARMY

Ensign Logan to Start One At Salvation Army Hall.

ENSIGN LOGAN

A free shorthand school—that is what Ensign Logan of the Salvation Army is going to install in Coshocton next winter. The ensign is an adept at the speedy art himself having mastered the Pittman system, the standard of England, many years ago. "I want to teach all the young people who will come," said he to The Age, "and do it without expense to them, because I want to keep them off the streets and at the same time help them take steps toward a good livelihood. We expect to resume our sewing school at the same time."

SEVEN DROWN WHILE WADING

Picnic on an Iowa River Bank That Had a Distressful Ending.

Cedar Rapids, Iowa, July 12.—At a picnic held on a river bank, near here, eight children went wading. The smallest child slipped into a deep hole in the river, and in trying to rescue her six others were drowned. The dead: Lucille Sweeting, 7; Hazel Sweeting, 14; Gladys Sweeting, 10; Josie Sweeting, 12; Ruth Coyle, 11; Sioux City, C. A. Coyle, 9, Sioux City; Clara Usher, 16.

The children had gone to the river with Mrs. Usher, who took her baby. The baby floated and Mrs. Usher went home with it. The children immediately went wading in the river. Ruth Kiersey went to the end of a long sandbar and, seeing that the water was deep at the end of the bar, warned the other children. Lucille Sweeting, however, ran to the end of the bar, and the sand yielding, slipped off into seven feet of water. Her cries brought Hazel Sweeting to her aid. In trying to pull Lucille back on the sand, she too fell into the deep water. Another child went to her assistance and slipped in and so on until seven of the eight children were in deep water. Some of them drowned helplessly, while two or three vainly tried to climb out of deep water.

Ruth Kiersey, seeing the fate of her companions, then ran down the road crying to Mrs. Usher, overtaking her when almost home. Mrs. Usher left her baby in the road and ran back to aid the children. She managed to get hold of the hair of two of them and pulled them out of the water, but it was too late to save their lives.

Discharging Motormen.

Cleveland, O., July 12.—According to the statements of employees, the Cleveland Electric Railway company discharged about 100 of its 2,500 motormen and conductors following the organization here of a local of the Amalgamated Street Railway Employees of America. Organizer Fay of that association declared the action of the company an effort to kill the local union in its infancy, the men having been dismissed without other reason. President and General Manager Stanley of the railway company said: "The only thing we will say is that we do not propose to let labor organizers tell us how we shall run our business."

Standard Made No Plea.

Findlay, O., July 12.—The Standard Oil company has made no plea to information filed against it in this county charging it with violating the anti-trust laws. The law requires that on the seventh day after summons is served on a corporation, the corporation may appear by one of the officers or counsel and make a plea. Sheriff Groves reported to the court that he had served the warrant or summons on J. N. Robertson, the secretary of the company, but was unable to find President John D. Rockefeller, the vice president or any of the other officials.

Here's Just the Right Bowel Laxative

Gentle, Sure—Pleasant to Take—A Tried and True, Genuine, Nature's Remedy.

If you do not have free, easy and regular movements of the bowels you lack the prime and most essential of good health. There's more harm done than more uncleanliness, sluggishness and biliousness—retention of food wastes in the bowels pollutes, irritates and poisons. You make the circulatory system—the blood—a scavenger instead of a fountain of pure life and untainted vitality. Accept the relief in Nature's Laxative. The pills of constipation are not trifling but are fraught with vital significance. Avoid the danger of laxative abuse and unknown medicines! Your safety and your health are always secured—if you take Laxative. The formula is on every box—show it to your family physician. Laxative are put up in a flat metal case in handy tablet form—one tablet taken before meals or on retiring always brings relief. Pleasant to take—the most potent yet gentle of all remedies—a genuine help of Nature's—a bowel laxative which cures constipation. Recommended and for sale by

Ferguson's Foolery

Harry Ferguson prints an autobiography in the West Lafayette Indicator this week that is in his most absurd vein. His Coshocton friends will enjoy reading the following extract:

Starting a poor man four years ago, with little but a middle letter in his name and a place at the parental table. Mr. Ferguson has accumulated a handsome list of delinquent subscription accounts to his credit and a leather pass book from a bank where the banker has often been called upon, as a personal favor, to use little red ink in the individual ledger. Yet with all this prosperity Mr. Ferguson does not spend money lavishly, but lives a simple, frugal life out on the Experiment Farm.

As we said before, Mr. Ferguson is still a single man, though not entirely by his own choice. He is a man of tender impulses and naturally domestic in his tastes and he occasionally takes some little notice. But the time has not yet come when some real congenial spirit has shown a decided willingness to depend wholly upon 'The Indicator for love and breakfast food. Hence he is still subject to the tickle winds of fate, awaiting some all absorbing, irresistible feminine response where two hearts shall discover that they beat—carpets in the spring time—as one.

In public life Mr. Ferguson has frequently been honored by his fellow citizens. One of the chief instances was an overwhelming defeat for a township office at the hands of an admiring constituency. On numerous occasions he has served his country on the tall end of a list of alternates, where he could do no great harm to the nation. And a recent member of congress had such unlimited confidence in him that he permitted him to distribute garden seeds to receptive public, which public trust he fulfilled with great political foresight and sagacity for his country and great honor to himself. Others honors, too numerous to mention, have been showered upon him. In fact, there is hardly anything within the gift of his party that he could not have had for the asking—on an off year."

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.

Lott's Rapid Steam Washer

Now being demonstrated at B. Worthington Hardware store, is a great success. It has been proven by test already made that this machine will wash all kind of clothes from a dainty lace curtain to a dirty greasy pair of overalls and it performs this wonderful work without the least labor. No family whether rich or poor can afford to have their clothes worn out on the old style washer or rub-board when this machine is in their reach. Remember it costs nothing to try one and if it fails to do perfect work in any home the machine is yours without cost. The company is in need of a good hustling agent in every town in the United States. Any good agent or firm can easily clear from \$10 to \$20 a day selling this machine. If you want a perfect washing machine try the Lotts. If you want to make money secure an agency. Chicago Hardware Foundry Co. North Chicago, Ill.

GO-BETWEEN CASE.

Trainer's License Revoked and Several Horses Disqualified.
New York, July 13. - The stewards of the Jockey club, the controlling body of the eastern turf, took drastic action in the matter of the horse Go-Between, which won the Suburban handicap at Sheepshead Bay when entered as a gelding and was subsequently protested on the ground that he was a stallion. The trainer's license of John Shields, who handled Go-Between, was revoked, and all horses the property of Alexander Shields, owner of Go-Between, Ormondes Right, Halifax and other good performers, were disqualified for 30 racing days. Alexander Shields is one of the best known men of the eastern turf.

Baseball Deal.

St. Louis, July 13. - Announcement was made by the St. Louis National league team that Shannon and Shay had been traded to the New York Nationals for Outfielder Mertes and Catcher Marshall. Shannon is the local club's left fielder. Shay played shortstop last year, but while still under reservation by the St. Louis club has been playing this year with the Stockton (Cal.) team, which franchise he owns.

Seymour Sold.

Cincinnati, O., July 13. - J. Bentley Seymour, better known as "Si" Seymour, the famous center fielder of the Cincinnati National league club, was sold to the New York Nationals. The price paid was not given out. Seymour led the National league in batting last season.

Mansfield May Drop Out.

Although there is no immediate possibility of the franchise of the Mansfield baseball team in the Ohio and Pennsylvania league being sold, there are a number of cities which would like to purchase the local franchise and remove the team. President Paul Sturges, of the Mansfield baseball association, received three telegrams from the backers of the teams at Marion and Lima and Anderson, Ind., asking him to place a price on the franchise and have the team removed to that city, guaranteeing to play Sunday ball also. All three of these cities had teams in the defunct Interstate league and are trying to catch on with some other league. The Mansfield baseball team is one of the greatest advertisements that the city has ever had and it behooves not only the lovers of the national game but the business men of the city to do all in their power to have a team represent this city. - Mansfield News

Attack by Tartars.

Tiflis, July 13. - At Etchmiadzin, the ecclesiastical capital of Armenia, Tartars attacked the monastery and residence of the Armenian patriarch. The Tartars, who had hidden themselves in the surrounding hills, opened fire and charged the monastery after midnight. They were repulsed, but formed for a second attempt, when a force of infantry and Cossacks arrived on the scene. The officers tried to persuade the Tartars to desist from their attack, but the latter opened fire on the troops, wounding several of them. The Cossacks thereupon charged and dispersed the Tartars, killing one and wounding several.

PUD'S DAISIES RETURNED TO THE WHITE WASH BRO.

Defeated Dover 7 to 0 With Price The Slab.

Well, that was getting back at 'em. On Wednesday afternoon an aggregation of ball tossers hailing from the wilks of Tuscarawas county got together and catching the Coshocton lads when every last man was having a day off and sat down on them to the tune of 9 to 0. Three safe hits was their portion and as a result the kalsomine brush was neatly handled by the Tuscarawas countyites with the All-Stars as the victims.

The Coshocton outfit was far from satisfied, they wanted revenge. The game with Millsburg on Thursday was therefore called off and preparation were at once made to remain in Dover and take another try Thursday afternoon.

Revenge Came
in huge bunches. Left hander Price who has been going at top speed for the Buckeyes for the last several weeks was chosen to serve up the benders for Carr's pets and that he succeeded right well is proved by the fact that Coshocton was able to take a try at handling the white-wash brush by a score of 7 to 0. The smiling feature of the game was the great

Work of Price
in the box. He had the Doves standing on their heads throughout the game and two measly safeties was all they could get. But five men got to first base and only two

Garrison Finish Gave a Victory to The Franklins

Speaking of garrison finishes, the one witnessed by the fans in the Buckeye-Franklin battle at Riverside park Thursday evening carried off the palm for ninth inning wins seen on the local grounds this season.

The shades of night were falling fast when the Franklins came to bat in the first half of the closing inning with the score 5 to 4 in the Buckeyes' favor. The weak end of the batting ordering was up and no one expected much doings. How much everybody was mistaken however. Bing and they were at it. For the next eight or ten moments the leather was taking regular trips to all corners of the lot and when the smoke had finally cleared away the entire Franklin batting order from A to Z had taken a swat at the leather and the total result was six tallies and as far as catching the game went, the half-dozen were as good as a thousand as the Buckeyes went out in order in their half.

To say that the Franklin team and followers were jubilant, would be putting things mildly as this was their first victory off their home grounds this season. They were happy as the flowers in May. Both teams had some trouble in rounding up enough of their players to start the game. Franklin was without a twirler so Thompson the fast little catcher of the defunct Lewisville outfit was allowed to show what he has in the pitchers box. He did not prove to be anything sensational as a twirler but for his first trial he certainly tossed a nice, safe game working with his head as well as his right arm.

Several other new faces also appeared on the Franklin lineup. The Buckeyes were also shy a twirler, a new man whom they had engaged failing to show up in time to start the game so Buck endeavored to show his hand in that line. One inning was a plenty for the big fellow and he retreated to shortstop while Will Conroy took his position in the box. Conroy was all to the good up to the eighth inning when he seemed to weaken. It was not until the ninth, however, that Franklin began taking much liberties with his

FELL 21 FEET OFF A BUILDING

Floyd Walters, while laying the first course of slate on the Banner Miller house Saturday afternoon, lost his hold and fell to the ground, 21 feet. He started head first, but something turned, alighting most heavily on his left foot.

He wasn't hurt as bad as one would naturally expect, and Sunday was out on the streets with a cane. His left leg and back bother him some, but not much. Floyd must have some rubber in him.

One theory is that he alighted on his head and rebounded, then came down feet foremost.—West Lafayette Indicator.

SIXTY HORSES SOLD THURSDAY

Sixty horses were disposed of in the big Adams horse sale held at the fair grounds Thursday afternoon. The bunch brought over \$7000.

The biggest crowd of out-of-town horsemen of the season was in attendance and the bidding was lively. The horses as a general rule, however, sold rather low. James Lennon, of Lewisville, bought the best priced single driver paying \$215 for him. E. H. Eckert bought a handsome saddle horse offered by Jay Woods for \$205. Woods had in all fifteen head that were disposed of including a family driver that was purchased by Peter Goudy, of Beach City for \$205.

Commissioner Leland of Zanesville sold a handsome team of chestnut sorrels to E. H. Eckert for \$455.

Banker Caldenbaugh, of New Philadelphia, purchased a driver. Messrs. Dunn and Mullin, of Pittsburg bought quite a string for the eastern market.

We publish the formula of all our medicines! Sarsaparilla.

Thad Troy Is To Join Brooklyn

Thad Troy, the Coshocton boy who tried his hand at managing the Butler team in the P. O. M. league until the team disbanded last week, will be given a try-out by the Brooklyn National league team.

During the Brooklyn team's last stay in Pittsburg, the manager looked Troy up and had him get into a suit and practice with his team.

The big fellow performed so nicely that he was allowed to accompany the team when it left the smoky city and will be given a thorough tryout in center field. Coshocton friends of Thad will be pleased to see him make good with the Brooklyn outfit.

Pure White Lead Paint

"Graded" White Lead, as the cheap, adulterated article is sometimes called, is an expensive purchase at any price.

Pure White Lead costs so little more per pound, and lasts so much longer on the building, that only the pure could be sold if the property owner was always fully informed on the subject of paint materials.
